PROFESSIONAL EXPERIENCE

Motive, USA (Based in Pakistan)

Order Management Analyst

Oct 2021 – Dec 2025

- **Enabled \$12.8M Annual Recurring Revenue** and **supported 88 enterprise customers** by designing and launching a localized RMA process and standardized SOPs for Mexico expansion, improving customer satisfaction and ensuring regional compliance.
- **Saved \$3.9K+ in operational costs and reduced RMA handling expenses by \$5 per case** by leading an end-to-end RMA optimization initiative, reclaiming 4,600+ late or unreturned devices over 7 months.
- **Prevented \$23K+ in annual cost leakage** by conducting regular audits of customer accounts, billing, and hardware usage and implementing corrective controls.
- **Enabled faster decision making on cost controls, process improvements, and risk identification** by initiating AI enhanced performance storytelling through interactive newsletters and NotebookLM video summaries.
- **Accelerated new hire productivity and reduced operational errors** by designing an onboarding systems (AI driven mind maps and video SOPs) enabling faster system mastery and consistent process adherence.

Weatherford Oil and Tools, Middle East (Based in Pakistan)

Completions Accountant

May 2019 – May 2021

- **Accelerated cash flow** and improved Days Sales Outstanding by expediting accounts receivable collections, clearing \$50K in customer invoices monthly and resolving a \$60K disputed invoice pending for over two years.
- **Enhanced financial visibility** through Excel-based KPI dashboards covering revenue, job volume, and expenses.
- **Prevented major financial misreporting** by auditing product line expenses and correcting a \$3,000 currency error, ensuring accurate financial reporting.

Credit Specialist (Internship)

Dec 2018 – Apr 2019

- Optimized accounts receivable operations by negotiating client payment plans, reconciling transactions, managing invoicing and credit notes in Oracle, performing aging analysis, and accelerating collections to prevent receivable escalations.

PROFESSIONAL AND ACADEMIC AWARDS

- **Awarded MVP recognition twice and Best Talent (2024)** at Motive through launching monthly reconciliations that enhanced performance visibility and cross-team outcomes.
- **Earned an MBA semester fee scholarship** based on strong GPA and academic merit.
- **Contributed to national policy discussions** by reviewing budget proposals, highlighting key issues, and writing analytical articles that supported parliamentary debate for Pakistan's Senate Standing Committee on Interior.
